

ASSEMBLY - NIRMAAN C

The students of Nirmaan C presented an assembly on 6th November 2016. The assembly started with the dance Brain Break-Move and Freeze. It was a treat to watch the lovely moves of the children on the beats. Then they did an enactment of the story 'The Wide Mouthed Frog'. Enthusiastic about the assembly, the children came all dressed up for it. They spoke their dialogues with confidence and performed the assembly with great zeal.

Children grooving to the beats of **Brain Break**having a gala time doing it too!

The story was well related by the children as they understood the moral of the story-To be always humble and not to boast about your abilities.
