

Celebrating World Speech Day

The students of Sopaan, middle block of the school, celebrated World Speech Day on Wednesday. The day, dedicated to celebrating speeches and speech-making, was fashioned around the theme 'change the world'. The students made two minutes of formal speeches on various topics centred on the theme. The focus was on encouraging formal English-speaking through this programme. The day began with the school song followed by the school prayer. A short skit on anti-bullying was also performed, where students took to the stage with confidence and expressed their thoughts with clarity and passion. The assembly was presented by the newly appointed junior council of the school.

Towards the end, Head of Sopaan Lubna Niazi expressed her thoughts on how such activities inculcate internationalism and good English communication skills among students.
