

'Busy Bs' buzz with fun & frolic

Dressed up as butterflies, bats, boxes and brinjals, the tiny tots of Aarambh (nursery) had a great time celebrating 'B' day. A 'show & tell' was carried out with innovative surprise bags of 'B' objects brought by the young ones. The kids learnt many new words, starting with the letter 'B', through

this activity. They were also shown their favourite cartoon 'Bob the Builder', followed by a drawing activity, in which the students painted blue and black boats. They also made Bee headgears, which they took home. The day ended with the children drinking Bournvita milk.
