

'Celebration week' comes to an end

The last day of 'Celebrations Week 2017' was a fun-packed event for the students of Aadhar, the pre-primary block of the school. Organised at Madhya lawns, the day marked the culmination of their supplementary reader 'The Wishing Chair'.

Class I (Nirmaan) students played a myriad of team games. The characters of the book were brought alive by the children as they went through the 'See-Me-Tunnel', crossed the floating bridge and dressed up as the characters.
