

The Sanskaar Valley School

Let's bring home the trophy

Pre-primary students of the Aadhar block of the school took home the runners-up trophy in the 'inter-school musical story enactment competition'. The event was held at Delhi Public School, Kolar Road. Fifteen tiny tots of KG I & KG II took part in a play, 'The Princess Who Couldn't Dance'. They displayed a variety of skills that they learnt in school like rope-skipping, gymnastics, dance and singing. The recording of the music and dialogues as well as the songs was also done in the school itself by the stu-

dents and teachers. Fresh flowers and leaves were used in the costumes, as well as the props to be in sync with nature.
