

## The Sanskaar Valley School

### Spell Bee competition

The school organised a Spell Bee competition for the students of class II and III. The aim of the competition was to help students improve their spellings, build up vocabulary and develop the correct use of language. A preliminary round of the event was conducted in the second week of January where two participants from each class were selected. The competition was won by team C; the winning comprised of Kashvi, Rajvardhan, Aarohi and Divyanshi.

### Tiny tots bid farewell

The excitement of the celebration week continued in Aadhar, the pre-primary block of the school. After the art mela, music fest, fireless cooking and folder fun the students of Aarambh (play group), Neev 1 (KG 1) and Neev 2 (KG 2) bid farewell to the students of Nirmaan (class 1) as they left Aadhar and stepped into Prangan. Each class presented a 'goodbye' dance for the outgoing students. This was followed by a picnic out in the sun.
