Hindi creative-writing competition

Aiming to give a boost students' creativity and encourage them to embrace the Hindi language, the Hindi department organised a creative story-writing competition. The teachers held several classes before the competition to introduce literary skills to the students. On the basis of these classes, constructive and creative writing was practised by the students, which helped prepare them for the competition. The event was held for the students of classes IX and X and the students participated enthusiastically. Some teachers also took part in the competition.
